1. Homepage Overview

The Income Online platform is a comprehensive directory of legitimate online earning opportunities. Users can browse platforms, search by category, and access detailed information about each earning opportunity.

2. Header & Navigation

Features: Teal branded header with logo positioned on the left, navigation menu with links to Categories, Platforms, How It Works, and Support Us sections.

3. Hero Section

Main headline: 'Discover the Best Ways to Earn Money Online' with compelling subtitle and call-to-action button. Gradient background with modern design.

4. Browse by Category

Eight earning categories displayed with icons: Freelancing, Online Surveys, E-commerce & Dropshipping, Content Creation, Teaching & Tutoring, Micro-tasks & Gigs, Passive Income, and Investment Platforms.

5. Featured Platforms

Showcases top-rated earning platforms. For unauthenticated users, displays a paywall message encouraging donation to unlock full access.

6. All Platforms Directory

Complete listing of 20+ verified earning platforms with search and filter functionality. Includes ratings, difficulty levels, and platform descriptions.

7. How It Works

Three-step process: 1) Browse Our Directory, 2) Choose Verified Platforms, 3) Start Earning. Clear visual guides for users.

8. Success Stories

Testimonials from users who have successfully earned money using platforms from the directory.

9. Donation Section

PayPal integration for accepting donations. Explains benefits of supporting the platform including lifetime access to all earning opportunities.

10. Footer

Teal branded footer matching header design. Contains links to important sections and copyright information.

11. Admin Login

Secure admin access page for CMS management. Credentials: username 'admin', password 'admin123'.

12. Admin Dashboard - CMS

Content Management System allowing site owner to edit all text content including Hero section, Categories, Donation text, Platform descriptions, and Footer content. No coding required.

13. Technical Details
